Parents of Middle-Schoolers: Help Has Arrived!

Parenting Through Middle School is a short, easy-to-use Tool Kit for parents of middle school aged children. This multi-media, web-based program includes videos with real parents and middle school students, audio interviews with school principals, downloadable tools and articles written by experts in the field.

You will learn:

- What you can expect,
- What you need to know,
- What you can do.

Parents love this program because it:

- Prepares them for the many changes to come,
- Is accessible at the time and place of their choice,
- Provides quick tips and concrete guidelines,
- Communicates evidence-based information,
- Leaves them feeling confident and empowered!

Downloadable tools include:

- Puberty charts for girls and boys
- Tips to connect home and school
- Assessment tool and guide for parents
- 10 tips for parents
- Prep plan for middle school

"As a parent of teens and a middle school counselor, I think this is an excellent resource for parents."
